CLEAN WATER PARTNERSHIP TRIBUTARY TO MATTAWOMAN CREEK STREAM RESTORATION

The Clean Water Partnership (CWP) is a Public-Private Partnership (P3) between Prince George's County and Corvias. The CWP is the first of its kind to design, build, finance, operate, and maintain urban stormwater infrastructure to meet Municipal Separate Storm Sewer System (MS4) regulatory requirements and is committed to retrofit up to 4,000 impervious acres. Please visit thecleanwaterpartnership.com to learn more about this innovative partnership.

PROJECT DETAILS

This is a restoration project to improve the condition of the affected stream. Stream restoration is a best management practice (BMP) that stabilizes eroded streams, restores natural aquatic ecosystems, and improves water quality. The project includes the installation of several stream structures, including rock cross vane, riffle pool, and large pool designs, to enable natural control of stream erosion. After construction is complete, all disturbed areas will be returned to stable conditions.

Contractor	RES
Construction Start	Fall 2020
Construction Finish	Spring 2021 (weather permitting)
Construction Hours	Monday – Friday: 7 AM – 4 PM • Saturday (as needed): 9 AM – 4 PM
Site Access	Construction crew members will access the site via an entrance off Gardner Road. See the map for details.
Construction Staging	Construction crews will stage equipment within the Limit of Disturbance (LOD). The LOD is the boundary within which all construction and related activities will occur.
Tree Removal	Construction crews will remove some trees to make room for the stream restoration. At the end of construction, crews will plant new trees as a mitigation effort.
Outreach Contact	Kristina Bigby • Kristina.Bigby@thecleanwaterpartnership.com • (240) 583-7926

Angela D. Alsobrooks
County Executive
