

PRINCE GEORGE'S COUNTY IN ALLIANCE WITH THE CLEAN WATER PARTNERSHIP (CWP) HAS BEEN WORKING ON THE PLANNING AND DESIGN OF A WATER QUALITY IMPROVEMENT PROJECT AT POTOMAC KNOLLS POND. THE CONSTRUCTION FOR THIS PROJECT IS SCHEDULED TO START FALL 2019.

PROJECT DETAILS:

This project is being completed to meet regulatory requirements for treating stormwater within the county.

The team will dewater the pond to employ Best Management Practices (BMP's), repair the existing forebay, improve outfall protections within the pond, and expand the pond area to increase the pond's capacity to treat stormwater runoff.

CONTRACTOR: SMC, Inc.

CONSTRUCTION START: Fall 2019

CONSTRUCTION FINISH: Spring 2020 (weather permitting)

CONSTRUCTION HOURS (TYPICAL):

Monday – Friday: 7:00 a.m. – 4:00 p.m.
Saturday: 9:00 a.m. – 5:00 p.m. (as needed)

SITE ACCESS:

There will be two construction entrances, one on Split Rock Ln and another on Christopher Ln. Construction crews will access the pond via these entrances.

CONSTRUCTION PARKING:

Construction crews will park two to three personal vehicles within the cul-de-sac on Christopher Ln and/or the end of Split Rock Ln.

CONSTRUCTION STAGING:

All staging materials and equipment will be stored within the Limit of Disturbance (LOD). The LOD is the boundary within which all construction storage, grading, landscaping and related activities will occur. This project will be completed in two phases. Please see the staging map above for additional information.

The Clean Water Partnership is a Public-Private Partnership (P3) between Prince George's County and Corvias. The CWP is the first of its kind to design, build, finance, operate and maintain urban stormwater infrastructure to meet Municipal Separate Storm Sewer System (MS4) regulatory requirements and is committed to retrofit up to 4,000 impervious acres within Prince George's County.
