

# CLEAN WATER PARTNERSHIP OXON RUN STREAM RESTORATION PROJECT

## CONSTRUCTION NOTICE

### PROJECT ADDRESS

5513 Galloway Dr. Oxon Hill, MD 20745

### ANTICIPATED START DATE:

March 2024 (weather permitting)

### ANTICIPATED COMPLETION DATE:

April 2025 (weather Permitting)

### PROJECT DETAILS:

The Oxon Run water quality project will promote clean water and a sustainable natural habitat in the Oxon Run community. The project includes upgrading the existing County stormwater pond to improve its capacity to treat stormwater runoff before entering downstream waters. Downstream of the pond, the project includes stream and floodplain restoration, to reduce erosion and promote development of a stable stream and wetland system. This project also includes protection of existing sanitary sewers by covering and removing them from conflict with the stream.

### CONSTRUCTION DETAILS:

The proposed work involves the removal of sediment and material from the pond and clearing of vegetation within the buffer area, as required by the Maryland Department of the Environment. The contractor will access and exit the construction site from Livingston Rd. to Birchwood Dr. to Galloway Drive and will maintain the road daily to ensure safe passage along the construction site.

**GENERAL CONTRACTOR:** D&F Construction

**DESIGN ENGINEERS:** Straughan Environmental

### CONSTRUCTION HOURS (TYPICAL):

7:00 am - 5:00 pm weekdays

### PROGRAM DETAILS:

The Clean Water Partnership is a 30-year community-based partnership between Prince George's County and Corvias Infrastructure Solutions (CIS) with a turnkey stormwater management program that has proven its ability to achieve regulatory compliance requirements, create greater community buy-in and education along with long-term local economic benefits for residents and local, small, and minority disadvantaged businesses. The partnership includes a 30-year maintenance agreement, making the CWP responsible for functional maintenance to ensure proper function of the facility; thereafter, the County will assume responsibility.
